A Ministry Update

Greetings everyone!

For those who have been a part of our email updates, welcome to our new and improved way of sharing updates! And to those who are new to our updates, welcome!

With our new update system, we can provide a better update and a much easier way to share! We hope you enjoy it.

Before, we would send an update every once and a while, but now we will strive to share a monthly or bi-monthly update as there is so much going on!

In this newsletter you will find:

Ministry updates, Life updates, and a small Haiti update.

Our Latest Ministry Update

THE MINISTRY CONTINUES TO GROW!

With summer being over and school being back in action, we thought we would have fewer kids, yet we seem to have a few more!

During the summer, I (Kelly) began creating weekly Bible study outlines for our team member who has been teaching, as well as a worksheet for the kids. The worksheet includes between 5-8 questions, a memory verse, and a weekly challenge. Both are translated into Haitian Creole. The kids are absolutely LOVING it!

We also have officially paid off the rent for the property where the kids get to meet! We have it for the next 4-5 years!

Coming Up

CHRISTMAS CELEBRATION

With Christmas being right around the corner, we are planning our Christmas program for the kids. This includes a special meal, learning the Christmas story, games, and providing the kids with a gift!

Immigration Update

PRAISE THE LORD!

AFTER 5 LONG AND HARD YEARS OF WAITING AND UNCERTAINTY, JEANWILDO HAS FINALLY RECEIVED HIS PERMANENT RESIDENCY CARD! THIS MEANS HE IS NOW A PERMANENT RESIDENT AND CAN TRAVEL FREELY! THANK YOU TO ALL WHO HAVE BEEN BY OUR SIDE THROUGH THIS AND FOR YOUR PRAYERS.

The Uproot Collective

A MISSIONARY SERVICE AGENCY WORKING
ALONGSIDE OUR LOCAL CHURCH

We praise the Lord for His continued guidance as we seek to progress with our ministry. All thanks to the Lord and our Pastors, we have been introduced to the Uproot Collective agency and have joined under them.

The Uproot Collectives' heart is to help prepare us as missionaries, care for us while we serve on the mission field (during & after), and help with managing our funds.

We are so thankful for The Uproot Collective and look forward to our partnership.

With that being said, all financial support will be done through The Uproot Collective. I will share the link at the bottom of our NEXT newsletter and each one after that. It will also be on our social media pages. It will take you to a link where you will be able to donate to our ministry, receive our updates, and learn more about us!

Haiti Update

KEEP PRAYING FOR A MIRACLE

Haiti continues to live with insecurity and great unrest. With attempts to send in a multi-international force, not much has succeeded, and not much has even been done. One of the main gang leaders has been trying to rally other gangs to create some peace, yet terror still grips the lives of everyone as well as everyday life. We know and believe that God is working and He will restore the nation of Haiti.
